CUSTOM MADE TREKS AND HOLIDAYS

Maybe you're a group of friends or there's just a couple of you; maybe you want to celebrate a special event – a **Big Birthday**, a **Honeymoon**, a **Retirement**....., maybe you've long dreamed of doing a particular trek or having a special snowshoe holiday, maybe you have a particular reason to need a private trek or holiday – you could have a medical condition that imposes certain restrictions, maybe you want to be an all women's group.....

The reasons for a Custom Made Trek are wide and various but lots of people take this option.

Email me and discuss your ideas. I get lots of private bookings, both winter and summer and I've celebrated a lot of Big Birthdays, had several honeymoons and retired numerous times. It's always great fun and I will try to give you your dream holiday! To get the date you want contact me as far in advance as you can.
